Summer Employment Exploration

confidence building

As students prepare for graduation and their life beyond, they often are uncertain about the type of career they may be interested in. Summer Employment Exploration gives students with disabilities ages 16-21 the opportunity to earn money while “trying-out” a variety of jobs. Summer is meant for fun and this program includes a variety of fun activities aimed at enhancing individual employability.

Eligibility:

- Student preparing for graduation
- Possess a desire to work
- Ability to maneuver in a variety of settings
- Must be able to provide own personal care

Community Employment Services

This program provides comprehensive employment service including recruitment, evaluation, training, placement and support to meet the needs of job seekers and employers. Adults with special needs and other barriers to employment receive the support and service they need to meet their employment goals.

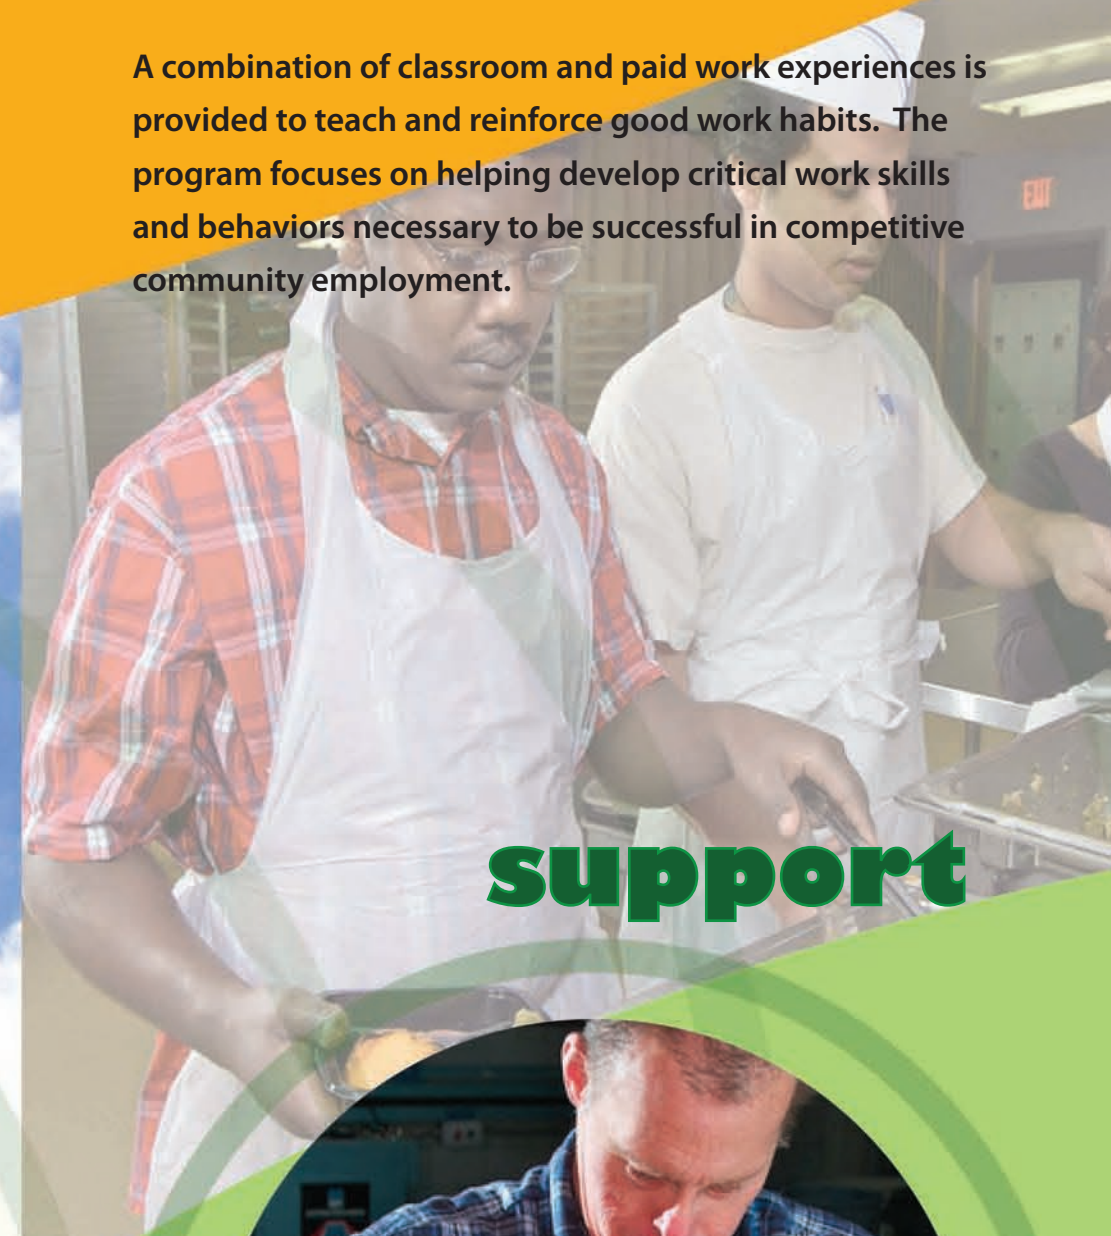

build skills

Pre-Vocational Services

A combination of classroom and paid work experiences is provided to teach and reinforce good work habits. The program focuses on helping develop critical work skills and behaviors necessary to be successful in competitive community employment.
