

Spotlight is on Grand

After 40 years as a dedicated and loyal participant at The Kenosha Achievement Center, Grand will be moving on to a new chapter in his life... Retirement!

Grand began attending The KAC in August of 1977. As part of KAC he has worked in the Industrial Department, Janitorial, and Food Service. Grand has always accepted a new challenge and is eager to learn new skills. Grand has taken pride in his work and is very proud in the fact that he has completed 40 years at KAC. He likes to point out, "Most people don't make it that long at one place." When asked what the different jobs he has done, Grand said "I did all of them ... I'm good at them too." Grand's favorite job was assisting with the delivery of hot meals to nutrition sites for senior citizens throughout the city of

Kenosha. He enjoyed doing the food run because he liked being out in the community to see his many friends. Wherever Grand goes, people are quick to greet him and strike up a conversation.

Last year Grand joined "GardenWorks" and planted a lilac tree on the front terrace of KAC. Grand is an excellent bowler and a devoted sports fan. He is proud of his two teams, the Dallas Cowboys and the St. Louis Cardinals. He enjoys going to the bike races at the Kenosha Velodrome and basketball games with his cousin.

Grand's future plans include spending time with family and friends, riding his bike, taking excursions on the city bus and sleeping in! Grand said he would also like to take more vacations. He's not sure of all the places he would go but he does want to visit his home town in Mississippi.

Grand, we all thank you for being a part of The Kenosha Achievement Center for such an extended period of time. Although we are going to miss you, we are happy and excited for you and your retirement.
