

# KAC Newsletter

February 2017

Spotlight  
is on...

Jerry C. is always rockin' a smile and a positive attitude! His love for the Green bay Packers is very apparent by the green and gold gear he often wears! Jerry has recently become a lead in the workshop which makes him responsible for counting and recording the work done by other participants. As part of his role, he encourages other participants to do their best while on the job. Jerry also assists in janitorial work at St. Iakovis Retreat Center. Jerry has joined a Lunch Club where he and his peers discuss their hopes and dreams and ways to overcome barriers so they can be successfully employed in the community. Jerry has become a very busy guy at KAC! When Jerry isn't at work, he likes to talk on the phone with his girlfriend and play basketball! Keep up the good work, Jerry! KAC is lucky to have such a hard worker on our team!

**Just a reminder...**

**Please be sure when dropping off and picking up  
that all participants are being signed in and out.**

**Thank you!**
