March 2017

The Spotlight is on...

Marissa G. has recently joined the KAC Day Service Program. It was quickly realized that Marissa fits in very well and had no hesitations about making herself at home. She adds excitement to each day she attends! Marissa loves to use her iPad to watch WWE and cartoons. Marissa is a star Wii player and has tons of energy for dancing, playing games and doing crafts. Marissa enjoys going on outings with KAC, especially when they go shopping. We are happy to welcome Marissa and the spark she brings to our Day Service Program!
