

Our Spotlight is on Donald...

Whenever a new opportunity presents itself, Donald is always quick to take action. He is a risk taker that welcomes a new challenge without hesitation. This year Donald decided to give the dish room a try at the St. Iakovos Retreat Center. Donald additionally demonstrated great flexibility by working at the Retreat Center on weekends when needed. Donald enjoyed it so much his future plans now include working in the food service industry. Donald has learned to transfer his new skill set from the Retreat Center and now is a dependable dishwasher in the KAC kitchen. Donald also enjoys his training twice a month at the Rest Area where he learns basic lawn care and janitorial skills.

Donald plays just as hard as he works. He loves to take part in all of the seasonal special events and is always fast in signing up for baseball games, lunch clubs, and trips to the FireSide Theatre.

When not in attendance at the KAC, Donald likes to work on puzzles, watch sports, help with chores around the house and going out to eat. He also loves to travel. His favorite place to visit is the Wisconsin Dells. A favorite and special person in his life is his brother George.

It is clear to all that know Donald that he has a genuine love of life. His desire to explore and learn is one of his many strengths that help him accomplish his dreams.
