Slides, basketballs & hoops, bikes, parachute, balls, bouncers, and some other items as well. Come and get out of the house and see what it is all about.

VOLUNTEERS:

Volunteers are always needed! There are many tasks that volunteers can help out with from emptying trash to assisting in the table activity. Please volunteer to help out in whatever way that you can!

Parent Committee:

Parent Committee is a group of parents from each of our groups that discuss ways to improve how Sprouts function. Parent Committee's meets once a month, dates to be determined.

Room Maintenance:

Occasionally playgroup does not meet in order to work on paperwork and to clean our play spaces. All play spaces and toys are disinfected at this time. Parent volunteers are always needed to ensure a thorough job.

Sharing Parenting Resources & Outreach, United Together for Support

SPROUTS is a program of KAC - Kenosha Achievement Center, a private, non-profit organization dedicated to enhancing the well being of children.

SPROUTS Mission is to reach out to the families of young children (birth through five) residing in Kenosha County, in an effort to provide them with resources, education, support and referrals in a positive, accepting and safe environment that will serve to fortify families and build a stronger community.

By bringing families together to access resources, network with one another, and participate in developmentally appropriate activities, we hope to provide them with stronger support networks that will minimize their isolation and help prepare their children for school and life success.
